

# Billingshurst Angling Society

## Questionnaire

B.A.S. takes its membership very seriously and this document is designed to help the committee understand any concerns or suggestions our members, both past and present, have.

It would be much appreciated if you could complete this document and return it via email, post or indeed in person.

All results will be analysed and published in due course once the committee have considered all responses.

The committee is there to act on your behalf, so please make your voice heard
